

What is UngINN?

Innlandet
fylkeskommune

UngINN is a scheme for young people between the ages of 13 and 21 living in the Innlandet region that offers discounts on various cultural events and experiences throughout the county. UngINN is run by the Culture Department at Innlandet County Municipality, which is part of the Department of Arts and Culture.

With UngINN, the goal is to make it easier and cheaper for young people to take advantage of the cultural offerings in Innlandet, such as concerts, the cinema, the theatre and other cultural events. We aim to ensure that as many young people as possible are able to take advantage of the county's rich cultural life. UngINN covers a wide range of events across a number of cultural spheres in Innlandet county.

By immersing yourself in cultural experiences in Innlandet, you can easily discover new interests, meet friends and even broaden your horizons.

"UngINN makes it easier for young people in Innlandet to get out and about and explore! Culture isn't just fun and exciting; it's also healthy, educational, inspiring, and so much more!"
